

## **Justin Wray – biography**

Justin Wray, a UK national, is head of the policy unit. He is responsible for pensions, insurance, external relations and impact assessment.

Prior to joining EIOPA in May 2011, Justin worked at the UK Pensions Regulator in a number of operational and policy roles including as Head of Pensions Administration and Governance. Before that he worked at the UK Treasury on financial services regulation and international debt issues, and at the UK Department for International Development.
