Betreff: REMINDER: SuperReturn Infrastructure, London September 22-23, 2016

Dear LTIIA Members and Relations,

LTIIA is pleased to contribute to [SuperReturn Infrastructure 2016](#), one of the year's key infrastructure events. **Bernd Kreuter**, LTIIA Board Member and Managing Partner of Palladio, will speak there on a panel dedicated to LP perspectives.

SuperReturn will offer a line-up of top-class speakers, a carefully designed and in-depth programme, networking sessions and topical discussions on:

- **Infrastructure:** where are we now? What progress has been made, what challenges lie ahead & how can the industry balance long-term investment requirements with short-term political pressure?
- **LP perspectives:** what are the drivers behind LPs' increased allocation to infrastructure? To what extent is Infrastructure delivering on LP expectations & what level of opportunity does the asset class represent for optimal portfolio balance?
- **Infrastructure Investment Models:** why are investors gravitating to direct and co-investment models whenever possible? Are they equipped to succeed? What is the real difference between direct and co-investment strategies? Is it really all about fees?

Please visit the [SuperReturn Infrastructure website](#) for further information and to [book your place](#).

Institutional investors are eligible for free passes. Other LTIIA members are entitled to a 20% discount on the entry fee.

Best regards,

Eugene Zhuchenko
Executive Director
