

June Butler – CEO Strategic Banking Corporation of Ireland

June Butler is the Chief Executive Officer of the SBCI since September 2021. June has more than 20 years' experience in the financial services sector. Prior to her appointment as CEO of the Strategic Banking Corporation of Ireland, she served as Head of SME Banking and Sectors in Bank of Ireland where she was responsible for formulating and driving the strategic direction for the business, including the delivery of the finance and funding requirements of Irish SME's.

She has also led the Groups team of sector specialists providing strategic insight into the needs of Irish businesses across a variety of sectors.

June commenced her career with PwC where she trained as a Chartered Accountant and subsequently joined Bank of Ireland where she has gained significant financial services experience through leadership roles in Group Internal Audit, Group Finance, operations and Retail banking.

June holds a degree in Law from Trinity College Dublin and diplomas in Accounting and Taxation and Corporate Treasury and Risk Management from Dublin City University. She is a fellow of Chartered Accountants Ireland and a Certified Bank Director.
