

Jackie Wells

Jackie is head of policy and research at NAPF. Jackie has oversight of the DB, DC, EU and International policy work as it affects NAPF members and pension savers. She also leads the NAPF's research programme which includes the NAPF's annual survey, its Understanding Retirement surveys as well as ad-hoc surveys of NAPF members and pension savers. Prior to joining the NAPF, Jackie was an independent strategy and policy consultant, working for, among others, the FCA, FS Consumer Panel, CII and Money Advice Service, and a financial services strategy Director at Deloitte and Bacon & Woodrow.
